

ENVIRONMENTAL POLICY

VISION

At the **MELENOS LINDOS ART BOUTIQUE HOTEL** we believe that it is our duty to reduce all negative environmental impacts resulting by our operation and continuously seek for innovative ways to have a beneficial impact towards that cause

GOALS

Through our environmental policy we will obtain the following goals:

- Measure and keep records of specific environmental indicators in order to set realistic targets and assess our performance
- Train our staff on their role towards our environmental goals
- Communicate our efforts to our guests and actively seek for their support
- Stay up to date with all relevant laws and regulations.

OBJECTIVES

In order to achieve our environmental goals, we will:

- Set and keep a minimum baseline for energy consumption by utilizing energy efficient equipment and increasing awareness among staff and guests.
- Set and keep a minimum baseline for water consumption by increasing awareness among staff and guests
- Increase and keep to a maximum extent the amount of materials being recycled in our hotel
- Achieve and maintain awards for sustainability for Hotels and Accommodations

All issues in relation to our environmental policy are handled by owner Mr. Melenos Michalis
