Considered one of the most picturesque villages in Greece, Lindos, on the island of Rhodes, is made up of cobbled mosaic streets, pristine white houses, and a beautiful bay for swimming and snorkeling. Here, the **Melenos-Lindos** is the culmination of a thirteen-year-long labor of love for its local owner, Michalis Melenos, who used the finest island craftsmen to create a labyrinth of pebbled patios, secret gardens, and twelve suites with traditional high-platform beds, hand-carved doors and chests, well-chosen Aegean antiques, and private verandas with sea views. Doubles from \$422, including a bountiful breakfast; 011-30-22440-32222; melenoslindos.com.
